(b) No Owner shall be exempt from liability under this Section 7.1 by resigning from the Association, by waiving the use or enjoyment of any Common Element or by abandoning the Lot against which such Assessments are made.

(c) Except as provided in this paragraph 7.1(c), the obligation to pay to the Association any Assessment or other charges levied against any Lot shall be a joint and several obligation of the Owner of such Lot and such Owner's successors, assigns, heirs, devisees and personal representatives. A Person acquiring fee simple title to a Lot shall be jointly and

severally liable with the former Owner of the Lot for all Assessments and other charges that had accrued and were payable when such Person acquired fee simple title to the Lot, for so long as such Person holds fee simple title to the Lot.

(d) Each Assessment or other charge, together with interest and penalties thereon and all costs and expenses incurred by the Association to collect such Assessment or other charge, including reasonable attorneys' fees and disbursements, may be recovered by a suit for a money judgment by the Association without foreclosing or waiving any Assessment Lien securing the same.

7.2 Purpose and Use of Assessments and Other Charges. The Assessments and other charges levied or imposed and collected by the Association under the Association Documents shall be used exclusively to pay Common Expenses, including allocations to reserves. The Association may invest any funds allocated to reserves in a prudent manner. Unless expressly required by the laws of the State of Colorado or an Association Document, the Association need not refund or credit to Owners any excess funds collected by the Association.

#### 7.4 Budgets.

(a) Prior to the first levy of an Annual Assessment, and, thereafter, at each annual meeting of the Owners, the Owners, by a simple majority of the Owners at the annual (or any other) meeting at which quorum is present and the proposed annual budget is presented, will ratify the annual budget prepared by Board of Directors of the Association. Once ratified by the ownership, the Board of Directors of the Association shall adopt an annual budget for the Association for the calendar year.

(b) If the Board of Directors of the Association deems it necessary or advisable to amend an annual budget that it has adopted under paragraph 7.4(a) above, the Board of Directors may adopt an amendment to the annual budget.

#### 7.5 Annual Assessments.

(a) After the Board of Directors adopts an annual budget pursuant to paragraph 7.4(a) above, the Association shall levy an Annual Assessment on each Lot based on the budget and the allocation set forth in Section 7.3 above. Except as otherwise provided herein, the Owners shall pay the Annual Assessments levied against their respective Lots in such periodic installments as may be required by the Board of Directors.

(b) If the Board of Directors ratifies an amendment to the annual budget pursuant to paragraph 7.4(b) above, the amount of the Annual Assessment levied against each Lot shall be adjusted accordingly, as shall the amount of each Owner's periodic installments.

(c) If the Board of Directors fails to adopt an annual budget for any calendar year prior to January 1 of that calendar year, the Owners shall continue to pay periodic installments of the Annual Assessment to the Association at the rate payable during the prior calendar year until such time as the Board of Directors adopts a new annual budget for the then-current calendar year. Once the Board of Directors adopts a new annual budget, the Association shall levy on each Lot the Annual Assessment for the then-current calendar year and each Owner's periodic installments shall be adjusted as necessary to pay the new Annual Assessment in equal periodic installments over the remainder of such calendar year, giving the Owners credit for any installments that the Owners have previously paid to the Association during such calendar year.

(d) The failure of the Association to levy an Annual Assessment for any calendar year shall not be deemed a waiver, modification or release of the Owners' liability for Common Expenses.

#### 7.6 Default Assessments.

(a) Notwithstanding anything to the contrary contained herein, if any Common Expense is caused by (i) the negligence or misconduct of an Owner or an Owner's family member, employee, agent or guest, or (ii) a violation of any covenant, condition or restriction of an Association Document by an Owner or an Owner's family member, employee, agent or guest, the Association shall, if it deems necessary or advisable, levy an Assessment against such Owner's Lot for the amount of such Common Expense. In addition, the Association shall, if it deems necessary or advisable, impose a fine, penalty, fee or other charge upon an Owner for the violation of any covenant or condition of any Association Document by an Owner or an Owner's family member, employee, agent or guest. Any such Assessment levied by the Association, and each fine, penalty, fee or other charge imposed hereunder, are each referred to herein as a "Default Assessment."

(b) Default Assessments need not be shown on an annual budget, or on an amendment to an annual budget, adopted by the Board of Directors of the Association; provided, however, that with respect to any Default Assessment, or portion thereof, levied other than as a late charge, the Owner of the Lot against which the Association seeks to levy the Default Assessment shall be provided notice and an opportunity to be heard. Owners of Lots against which Default Assessments have been levied shall pay such Default Assessments when required by the Association.

#### 7.7 Assessment Lien.

(a) The Association shall have a lien on each Lot for any Assessment levied against that Lot or the Owner thereof and any interest, reasonable attorneys' fees and disbursements and costs of collection incurred by the Association in connection therewith. The

Assessment Lien shall secure all of the foregoing obligations of an Owner from the time such obligations become due. If an Assessment is payable in installments, the Assessment Lien secures each installment from the time it becomes due, including the due date set by any valid acceleration of installment obligations by the Association.

(b) An Assessment Lien is prior to all other liens and encumbrances on a Lot except:

- i. liens and encumbrances recorded prior to the recordation of this Declaration;
- ii. a Mortgage which is not subordinate to any other lien or encumbrance, except liens for taxes or other liens which are given priority by statute, and which was recorded before the date on which the Assessment sought to be enforced became delinquent (except to the extent the Assessment Lien is afforded super-priority under the Act); and
- iii. liens for real estate taxes and other governmental assessments or charges against the Lot.

(c) If an Assessment Lien exists with respect to a Lot over which another association has or files a lien under Section 38-33.3-316 of the Act, and the Assessment Lien is prior in time to the lien of the other association, then the Assessment Lien has priority over the other association's lien notwithstanding anything to the contrary in Section 38-33.3-316(3) of the Act.

(d) The recording of this Declaration constitutes record notice and perfection of an Assessment Lien on each Lot. No further recordation of any claim of any Assessment Lien is required.

(e) An Assessment Lien is extinguished unless proceedings to enforce the Assessment Lien are instituted within ten years after the Assessment secured thereby becomes due.

(f) This Section 7.7 does not prohibit: (i) actions or suits to recover sums secured by an Assessment Lien, or (ii) the Association's taking of a deed in lieu of foreclosure.

(g) In any action by the Association to collect Assessments or to foreclose an Assessment Lien for unpaid Assessments, the court may appoint a receiver of the Owner to collect all sums alleged to be due from the Owner prior to or during the pendency of the action. A court may order the receiver to pay any sums held by the receiver to the Association during the pending of the action to the extent of the Association's Assessments.

(h) An Assessment Lien may be foreclosed in like manner as a mortgage on real estate.

7.8 Estoppel Certificates; Notice to Mortgagees.

(a) The Association shall furnish to an Owner or such Owner's designee or to a Mortgagee or its designee, upon written request, delivered personally or by certified mail, first-class postage prepaid, return receipt requested, to the Association's Treasurer, a statement setting forth the amount of unpaid Assessments currently levied against such Owner's Lot. The statement shall be furnished within 14 calendar days after the Association's receipt of the request and shall be binding on the Association, the Board of Directors of the Association and every Owner. If no statement is furnished by the Association to the Owner, the Mortgagee or their designee, delivered personally or by certified mail, first-class postage prepaid, return receipt requested, following a written request meeting the requirements set forth above, then the Association shall have no right to assert an Assessment Lien upon the Lot for unpaid Assessments which were due as of the date of such request.

(b) The Association shall report to any Mortgagee any unpaid Assessments remaining unpaid for more than sixty days after the same shall have become due, if such Mortgagee first shall have delivered to the Association a written request for notice of unpaid Assessments. Any Mortgagee holding a lien on a Lot may pay any unpaid Assessment with respect to such Lot, together with any and all costs and expenses incurred with respect to the Assessment Lien securing such unpaid Assessment, and upon such payment, such Mortgagee shall have a lien on the Lot for the amounts paid with the same priority as a lien of the Mortgage held by such Mortgagee.

7.9 Limitation of Liability for Common Expense.

Notwithstanding anything to the contrary contained herein or in any other Association Document, the annual average Common Expense liability of each Lot restricted to residential purposes (as defined in the Act), exclusive of optional user fees and any insurance premiums paid by the Association, shall not exceed the amount specified from time to time in Section 38-33.3-116 of the Act as the maximum annual average common expense liability of each unit restricted to residential purposes. The amount specified in Section 38-33.3-116 of the Act as of 1998 is \$400 per Lot and is to be adjusted annually to account for inflation, as set forth in Section 38-33.3-116(3).

(a) Subject to the provisions of Article XVI below and the Board of Directors' approval, Review Board A and Review Board B shall each establish and have the authority to amend and modify rules, regulations and design guidelines (the "Design Guidelines") governing the design and construction of, as well as improvements to, all structures, landscaping, recreational facilities, exterior lighting, signage and general improvements proposed within Review Area A and Review Area B, respectively.

(b) The following, among other things, shall require prior written approval of the Review Board: grading and other site preparation; landscaping (including, without limitation, tree cutting and clearing); building construction; sign design and erection; exterior changes to property or improvements; modification, alteration or enlargement of any existing structure; paving and driveways; fencing; exterior lighting; location and maintenance of all structures and improvements; and changes to the permitted use of any property within the Property. The approval of the Review Board shall not be required for alterations or remodeling which are completely within a building or structure, do not change the exterior appearance thereof and are not visible from the outside of the structure.

(d) The Review Boards will, at the request of the Board of Directors, report to the Board of Directors and inform them of any decision by the Review Boards regarding new construction, landscaping plans, remodeling plans, and/or landscaping changes. The Review Boards shall likewise, at the request of the Board of Directors, keep the Board of Directors abreast of the progress of any project currently under Review Board supervision.

The Review Board or its designated representatives may enter upon any property within the Property at any reasonable time or times to inspect the progress, work or completion of any project. The Review Board may withdraw its approval of any project and require all activity at such project to be stopped if deviations from the approved plan, construction practices, applicable Rules and Regulations or applicable law are not corrected or reconciled within ten days after written notification to the Owner of the subject

property specifying such deviations, or within such lesser period of time as is specified by the Review Board in such notice to the owner. 9.8 Review Board Not Liable. The Review Board, nor any of its respective officers, directors, employees, members or agents shall be responsible or liable for any defects in any plans or specifications which are submitted, revised or approved pursuant to this Article IX, nor for any defects in construction pursuant to such plans and specifications, nor for any loss, damage or injury arising out of or in any way connected with the performance of the duties of the Review Board, unless due to the willful misconduct or conscious bad faith of the party to be held liable. In reviewing any matter, the Review Board shall not be responsible for reviewing, nor shall its approval of any project be deemed approval of, the project from the standpoint of safety, whether structural or otherwise. Approval of plans and specifications pursuant to this Article IX shall not relieve any Owner of said Owner's responsibility to comply with any and all applicable governmental laws or regulations.
